

The declaration of The Secondary Educational Service Area Office 14

Topic : The honest intention in administrating The Secondary Educational Service Area Office 14

The Secondary Educational Service Area Office 14 considers an important role of administrating affairs with moral and transparency according to the governmental policies (Mr. Prayut Chan-O-Cha) on 12th November 1994, supporting equality and justice by promoting the prevention of corruption and improper behaviors in the governmental sections. According to the Ethics Act of governmental officials in 2009 the tasks laid out in the manual of the Office of the Basic Education Commission declared that the ethics of governmental officials recorded on 22nd June 2011, emphasizing the transparency and assessable policies and integrity of all documents: ITA of Office of the National Anti-Corruption Commission and Public sector fraud Prevention and Protection Committee Office.

The Secondary Educational Service Area Office 14 has studied and made a manual plan for the prevention and elimination of fraud by following its' own policies. This manual plan covers the following: transparency in accountability, fraud-free security in operations, the morals and culture in the organization, the moral aspects of work in the organization and the moral aspects of work in the departments. It is expected that the governmental officials and all their staff's behavior will show a good response to what society expects of them and that they will be trusted by the people. It is expected that all governmental officials will behave in an honorable fashion and also that they will perform their duties according to their responsibilities to improve their working environment.

I would like to present my intention as the administrator of The Secondary Educational Service Area Office 14, that we are ready and willing to support all government officials and staff to perform their duties with the integrity and transparency to achieve efficiency and effectiveness throughout. We should maintain the states' interests and give fairness to the people equally.

I would like to make a confirmation that The Secondary Educational Service Area Office 14 will be committed to being a transparent and ready-to-check government section to fulfill our vision that "All students receive quality education with international standards based on Thai uniqueness"

I would like to declare to all my official colleagues that I will perform my duty in administering government Anti-Corruption with realization and alertness. I will be honest and conscious of others, knowing what is wrong, what should be done and what I should refrain from in order to be devoid of damage. I will uphold the benefits based on the principles of good governance in the administration and stand against all forms of corruption. I will carry out my tasks in regards for the prosperity of Thais and I will do well for our father.

On behalf of The Secondary Educational Service Area Office 14, I would like to express to all executive levels personnel that I declare "My intentions to perform my duty and manage the unit honestly, with the principles of good governance". To our society that "The Secondary Educational Service Area Office 14 has intended to eliminate Anti-Corruption in all forms and adhere to The Secondary Educational Service Area Office 14, we can help achieve this by following these steps:

1. Performing abide by the law, rule, and regulation strictly along with encouraging personnel to perform follow the laws, rules, and regulations.
